REVISION NO. 2
TO THE
SCHEDULE

PART I - SCOPE OF WORK

a. The Contractor shall continue the research studies, investigations, development work and tests set forth in the SCHEDULE to Task Order No. 5 and Revision No. 1 thereto, and shall perform the additional work and services provided for in this Revision No. 2 in accordance with its Proposal S-20655 dated 22 November 1963.

b. The Contractor shall furnish in the performance of the work and services set forth in the SCHEDULE to Task Order No. 5 and Revision No. 1 and in the performance of the additional work and services set forth in this Revision No. 2 to the SCHEDULE approximately man-months of 25X1A professional scientific staff members' time and appropriate support time of technicians during the period 1 October 1960 to 31 August 1964. The Contractor shall also furnish the necessary materials, supplies, equipment, subcontracting and travel as contemplated in its proposals of 26 September 1960, 28 May 1962 and 22 November 1963 for performance of this Task Order No. 5.

PART II - ADJUSTMENT IN FIXED FEE

The following clause supersedes PART II in Revision No. 1 to the SCHEDULE to Task Order No. 5:

The fixed fee stated in Paragraph 3.b. of this Amendment No. 7 to Task Order No. 5 is based on the level of effort and other items set forth in Paragraph b. of PART I of this Revision No. 2 to the SCHEDULE. Upon completion of this Task Order, as amended, the Contractor will submit a statement of the total man-months of professional scientific staff members' time and other items furnished in the performance of this Task Order. In the event the level of effort worked and other items furnished are substantially more or less than those contemplated in Paragraph c. of PART I, above, the parties hereto will negotiate an equitable adjustment of the fixed fee for this Task Order. It is contemplated that such negotiation, if any, will be held within 60 days after submission of the above statement.

PART III and PART IV of the SCHEDULE remain unchanged.

SCHEDULE

PART I - SCOPE OF WORK.

25X1A The Contractor shall conduct research studies and investigations and shall perform developmental work and tests in connection with the program designated [] Such work shall be performed generally in accordance with technical directions or approvals from the Contracting Officer or his authorized technical representative and shall include but not be limited to the following:

- a. Continue developmental work on a ring modulator.
- b. Continue developmental work on a special cathode ray tube and on methods of testing a certain airborne recording device.
- c. Participate with others in the formulation of specifications for certain airborne radar equipment including development of methods for testing subsystems thereof and participation in such tests. Develop plans, procedures and equipment for testing and test certain elements of the ground processor.
- d. Participate with others in planning for testing and test the several elements of the [] system separately and as a whole.
- e. Provide field consultations, as required, after the [] system becomes operational, to assist in curing defects and making improvements in the system.

25X1A

25X1A

25X1A

The Contractor is authorized to continue subcontract 005 with [] which was initially let under Task Order No. 1, under this Task Order No. 5 for the period commencing 1 October 1960 and ending approximately 31 March 1961.

The Contractor shall furnish in the performance of the above work and services approximately [] scientific man-months of time during the period 1 October 1960 to 30 June 1962.

Task Order No. 5

The Contractor shall also furnish the necessary materials, supplies, equipment subcontracting, and travel as contemplated in its proposal of 26 September 1960 for performance of this Task Order No. 5.

PART II - ADJUSTMENTS IN FIXED-FEE

The fixed fee stated in Paragraph 3.b. of this Task Order is based on the level of effort and other items set forth in PART I above. The Contractor will submit by 31 December 1961 a statement of scientific man-months worked and other items furnished with an estimate of the scientific man-months and other items required to complete the work. In the event the level of effort and other items as re-estimated are substantially more or less than those contemplated under PART I, above, the parties hereto will negotiate an equitable adjustment of the fixed fee for this Task Order. It is contemplated that such negotiations, if any, will be held within sixty (60) days after submission of the statement and the re-estimate.

PART III - ANTICIPATORY COSTS

All costs which have been incurred by the Contractor on or after 1 July 1960 in anticipation of and prior to the signing of this Task Order and, which if incurred after the signing of this Task Order would have been considered as allowable costs hereunder, will be accepted by the Contracting Officer as costs under this Task Order.
